

The Blood Bag Project

The Blood Bag Project is your chance to help, whether you donate blood or not! By making textile blood bags you can help Chloe and others just like her by raising awareness of DBA. So, let your creative juices flow!

All of the submitted blood bags will feature on the projects online blog.

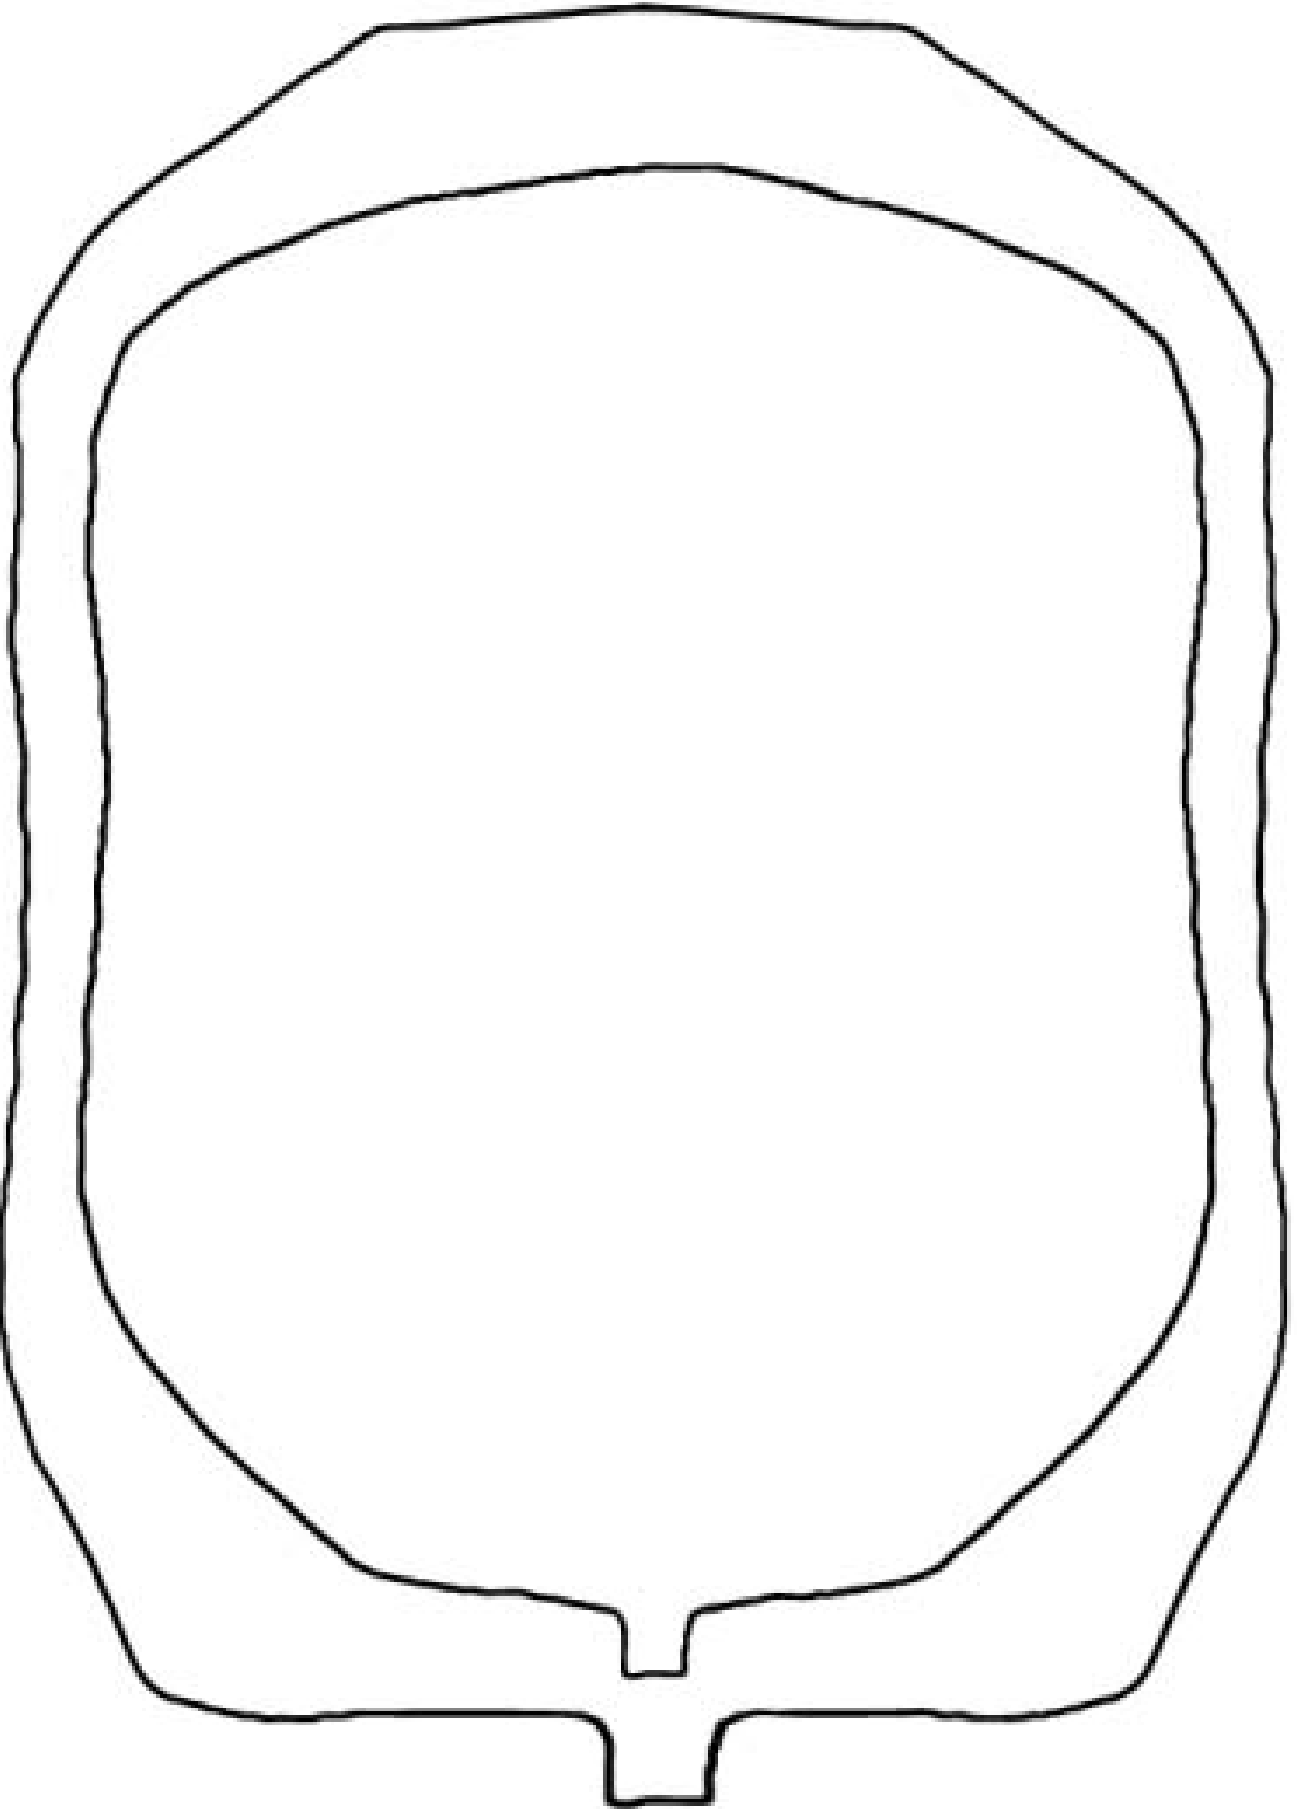

Specifications:

- Please follow the template so that the collection of bags have a sense of unity.
- The bags must be made from textiles, but what kind is up to you!
- Please include the following information: name, age, occupation, and city. This can be included in any form e.g. in/on the bag, on a tag connected to the bag, on a separate piece of paper.
- You may embellish and fill your blood bag anyway you like, but nothing offensive please.

To find out where to send your bag once it is complete, please get in touch via thebloodbagproject.com/contact!

Template

Simply print me out on A4 paper.

 Why not add some tubing?
